WHY GARDEN?

September:

Garden for Knowledge

Roll Call: Tell your favorite  
garden tip.

Bring. A garden book to lend  
for one month.

October:

Garden for Energy Conservation

Roll Call: Name a deciduous  
tree beginning with the  
letter of your first name.

Bring: A specimen branch of a  
tree used for shade or as a  
windbreak.

November:

Garden for Beauty

Roll Call: Name your favorite  
flower for arranging and tell  
why.

Bring! An arrangement featurin  
mums.

December:

Garden for Home Decorations

Roll Call: Name a holiday green  
you grow.

Bring: A holiday decoration  
using live greens.

January:

Garden for Food.

Roll Call: Name an herb that  
enhances food.

Bring: A "vegetable Head" you  
have made and decorated.

February:

Garden for Fun

Roll Call: Share a gardening  
joke or riddle.

Bring: An "ugly" container for  
a "white elephant" drawing.  
Get rid of one you don't want  
and get another!

Wrap it, please.

March:

Garden for Pleasure

Roll Call: Show a leaf from an unusual houseplant.

Bring: A springtime arrangement in the "ugly" container you acquired last month.

April@

Garden for Sharing

Roll Call: Name a garden plant  
that can be propagated by  
cuttings.

Bring: Cuttings or extra plants  
for exchange.

May:

Garden for Health

Roll Call: Name a plant associated with good health.

Bring: An arrangement showing you are "in the pink" or "glowing with health."

June:

Garden for Conservation

Roll Call: Name a wildflower  
that begins with the same  
letter as your last name.

Bring: A specimen of a plant  
that is derived from a wild  
plant.
