The Jan 5th meeting was held at the home of Janine Rosenfeld. The meeting was brought to order by Pres. Tommy Sellers. The guest speaker Jay Gelhardt was introduced & the roll was called. At the presidents suggestion each person named a tree beginning with the same letter as their last name.

The minutes were read & approved & the treasurers report was given.

The beautification project was discussed and a deadline of Feb 2 was set to decide which location will be chosen.

As a group we thanked Ann Clarkson for the lovely Christmas luncheon & donated \$3 each for our share.

Tommy reminded us of some of the by-laws pertaining to new memberships.

Carolyne Bond brought a wall hanging made of sacks of spices that could be used as a project for the spring sale at Surratt's House.

There was a discussion on the 1978 Christmas decorating contest & there will be further discussion

in the spring.

Peggy Martin passed out pamphlets on the care of Christmas plants.

Faye Meyer announced the upcoming flower show at the Armory March 3 thru 8 for anyone interested in entering the show.

Peggy Martin asked if we would be interested in having a class on flower arranging. It was generally agreed upon. Peggy will look in to it further.

We discussed the possibility of joining the Federation Garden Club. Peggy Martin will get more information for us & present it at the Feb. meeting.

The meeting was adjourned & refreshments were served. Then with the material donated & instruction given by Faye Gebhardt we each made a winter garden.
