

Mt. Airy Garden Club--April 8, 1993

The April meeting was held at the home of Joyce Meyer with twelve members in attendance. John Peter Thompson gave a very informative program combining a slide show with commentary on perennials. Lovely refreshments were served by the hostess.

Marie White reported a balance of \$1,405.54. The horticulture report was given by Ann Williams on spring-blooming pieris japonica. Again this month at the district meeting, Dottie Garrison, our president, received various certificates of merit. The Federation luncheon was discussed. Also, the District I flower show schedule was passed to interested parties.

Peggy Martin asked for volunteers to help with baking and food preparation for the lunches that the club is providing for the bus trip on May 11-12.

A motion was made and seconded that the full expense of the yearbook be paid by the club each year. The slate of officers for next year will be the same as this year.

Joyce had a lovely azalea for the raffle for this meeting. Next month's meeting at Marie White's will have our annual plant exchange.
