

AUGUST 10, 1984

It was a warm muggy evening on August 10 when ten of our members and their husbands met at the home of John and Vivian Lynn for the Clay Breakers annual picnic.

Julie and Bob Harrison supplied the main course: hot dogs and hamburgers, deliciously barbecued by them. John and Vivian provided the mixed drinks and lemonade. The rest of the courses was provided by the other members of the club.

Everyone enjoyed the lovely evening visiting with each other. Roger Neilan and Elaine and Chuck Arnold - our newest members - were welcomed into our group.

Julie and Vivian did a tremendous job organizing a very successful picnic.
