Feb, 5, 1981

The February Meeting of the Mt. Airy Clay Breakers was held at the home of Peggy Martin -

Our program on "House Plants" was given by Bob Stewart of the Mid Apt. Service - It was a very informative program of the importance of the right mixture of soil the rt amount of light and temperature and the possibility of over-watering being the most important reason why our houseplants don't do well - air is driven out by the water packing soil - Mr. Stewart answered individual questions

Margaret Dick visitor

We continued with our business meeting - Minutes of the last meeting (which previously were taken by Peg Martin in my absence) were read & approved The report of the Treasurer $377.95 Report from Ann DeBosier on the flowers from Florist - dried flowers 20.00 Sc 7 Acer Report from Jimmy Neel on the Natl. Comml Reeds - help at Aboretum

Refreshments were served by our hostess Peggy Martin which we enjoyed by the open fireplace

The meeting was adjourned -

Respectfully submitted by Dot Singleton
