December 10, 2005

Our Christmas Dinner Meeting was held on December 10, hosted by Lorraine Leonard.. There were 11 members in attendance. The treasurer Mary Jane reported a balance of \$877.91 in the treasury. The topic for the conservation presentation was Nutrient Management and the importance of testing your soil. Unused nutrients in the garden and on the lawn can end up in the Chesapeake Bay, which is causing major problems for the Bay.
