

October 1978

Meeting was held at the home of Nellie Mayo. Tommy Sellers opened meeting with roll call of a deciduous tree beginning with the letter of your first name.

The minutes of the last meeting were read and corrected.

The Treasurers report was given, a balance of \$161.19

Committee Reports

Nellie passed us our By-Laws which she had given a final check and changed a small item.

Comments on Membership - Need for advertisement for new members, ideas for increasing our membership to twenty.

Discussions on what constitutes a member.

Hartwell School - Oct 31, Nov 1, & 2

Continued

Oct 1978

Committee Report from Joyce Meyer on Progress of plans. Took picture and is working on plans. Hoping to put Crepe myrtle, Azaleas and Camellias. Maybe lilies.

Program was a motion picture on "Trees". Very interesting, how the different projects are for the propagation of more trees faster & healthier. Products produced by trees is also surprising.

Our next meeting will be at Patty McGhee's. Delicious refreshments were served by our hostess.

Respectfully submitted by,
Dottie Singleton
