

Mt. Airy Garden Club--February 13, 1992

The February meeting was held at the home of Elaine Arnold with 7 members and a guest, Marilyn Burkitt, attending.

Marian Moreland passed around correspondence and talked about upcoming activities, including lunch at Penwick House and tea at Morrisons. Carpool arrangements for the fashion show at Bolling were discussed.

Ann Williams gave the horticulture report on Blue Oat Grass. The program for next month will be provided by Mattie Martin.

After enjoying lovely refreshments, we watched the Romantic Garden video.
