

March 1978

The March meeting of the Clay Breakers met at Dot Singleton's home. Upon her arrival after meeting some of Dot's neighbors our President Tommy Sellers called the meeting to order. The roll was taken & the minutes were read & approved & the treasurer's report was given showing a balance of \$149.92.

Ann Clarkson was asked to write to Maryland Park & Planning to find out if we could go ahead with our beautification project.

Peggy Martin reported on the Fed. Garden Club. Our club will be sponsored for membership by the Oak Hill, Woodberry & Hilltop Garden Clubs. There will be a \$150 per member fee. On Tues. March 28, the Fed. Garden Club will meet at 10:00 AM. Our club is invited to attend.

Peggy suggested that instead of having Mrs. Bee teach us basic flower arranging we would have a few workshops first & learn the basic lines & simple arrangements. Peggy & Tommy volunteered to teach the basic arrangements. Then when we are all more advanced we can ask Mrs. Bee to come & demonstrate.

We welcomed our new member Jimmy Nell Finley.

A motion ~~was~~ made & seconded that we pay

March 1977

\$5.00 club dues plus \$1.50 fed club dues
making a total of \$6.50 per year.

Officers will be elected in May. Our
Pres. appointed a nomination committee
chaired by Ann Williams with Nelly May &
Peggy Martin helping.

We voted to send an order to Wayside
Gardens for a gift for Fay Hebbhardt to
say thank you for the demonstration on
Winter Gardens.

There was a short discussion on
plant problems. Next month we
will have a perennial exchange.

The meeting ^{was} adjourned & our
hostess served lovely refreshments.

For our interesting & informative program we
each described two perennials.
