WAYS & MEANS REPORT. Julie reminded us of our annual plant and White Elephant sale in April. We should try to collect the plants in March for an April delivery.

OLD BUSINESS. We awarded prizes in three categories for wreaths made from natural or living materials. Sonia's was the Most Creative, Jackie George's was for Best in Show, and Gilda's was for the Living Wreath.

Members voted unanimously for white t-shirts, and Dot will have the prices at the January meeting.

NEW BUSINESS. In January, Lenay will bring brochures of unusual plants that the nursery will selling in the spring. That will give us time peruse them for the plants we have on our Wishlists!

Julie asked those who will be taking the Dupont Garden Tour on May 23 to send their information and their checks to her.

There being no further business, the meeting was adjourned at 8:40 p.m.

Respectfully submitted,

Jacqueline N. Pugh
