

Mt. Airy Garden Club--November 14, 1991

The meeting of the club for November was held at the home of Phyllis Tucker with 13 members attending. Marie White reported a balance on hand of \$859.23. The luncheon that was provided for the Advisory Board by several members of the club realized \$275.00 before expenses. A note from Anne DuBoeser was read.

Marian Moreland announced that our yearbook has won the state award. Betty Abercrombie reported that the Creating the Romantic Garden tape has arrived. Also, she planted the bulbs at the park and a workday is not needed at the present time.

This month's horticulture report by Ann Williams was on Miscanthus.

There was a discussion of our upcoming workday and sale in the first week of December. A trip will be made to Zekes to buy ribbons, baskets, oasis and other materials needed for the sale. A day will be chosen for hostessing at the Greens Show.

The program for this month was holiday tables with a table decorated for Thanksgiving by Phyllis Tucker, a Christmas table by Margaret Hicks and a New Years table by Dottie Garrison. Delightful refreshments were enjoyed by all.

Respectfully submitted,

Margaret Hicks
