

Mt. Airy Garden Club--March 11, 1993

The meeting for March was held at the Presbyterian church. Fourteen members were present. Peggy Martin introduced Betty Dols who did six very interesting arrangements.

Marie White reported a balance of \$1,363.54. Corresponding secretary Dottie Sisson read several thank you notes. The horticulture report was given by Ann Williams on flowering quince. At the district meeting, Dottie Garrison, our president received, on the club's behalf, a yearbook citation and various certificates of merit. The June dinner meeting will be held at Oldfields.

The next meeting will be held at the home of Joyce Meyer with John Peter Thompson providing the program. It was voted that \$20.00 be given to the church for use of their building. Ann Williams and helpers served delightful refreshments.
