

PICNIC - 1985

We met at the home of Julie and Bob Harrison on August 3, 1985 for the Clay Breakers annual picnic. The weather was perfect and the patio was set up for dining with several small tables, each adorned with an arrangement by Julie.

Jimmie Nell and Bill Finley grilled the delicious chicken and Julie and Bob provided the mixed drinks and iced tea. The other members each brought a casserole dish. Everyone enjoyed the great food and the lovely weather while visiting with each other.

We welcomed our newest member, Marty Harmon and her husband Lloyd, to our group.

Peggy Martin and her committee did a tremendous job organizing a very successful picnic.
