MT AIRY CLAY BREAKERS GARDEN CLUB NEWSLETTER

MAY 2008

Our April meeting was held at the home of Carol Ober. The program was a garden tour, it started at Holloway Park, Pam Smart's, Marian Moreland's, and finished up at Carol's house. The weather was beautiful and so were all of the gardens.

Our May 8th meeting will be another garden tour beginning at Lorraine Leonard's house at 6:00 p.m., Julie Harrison's, Sonia Johnson's and will finish up at Arminta Donovan's for the meeting.

Our 1st plant sale was held Saturday, April 26th at Julie's house. The weather was beautiful and I believe it was a success. Our 2nd plant sale is planned for Saturday, May 10th at the Lions Club facility on Rt. 301 at Cherry Tree Xing. There will be more info. on both sales at the meeting.

SERENITY

Just give me some time in my garden;

There all my troubles to free.

For when I am there in my garden.

I am ever so near, Lord, to thee.

I can see all the wonders of living

As the rich soil I sift through my hand.

And I watch as the seeds become blossoms,

Then bear their fruits from the land.

Just give me some time in my garden,

Some quiet time to spend alone.

For when I am there in my garden,

I am calm deep within, and at home
