

May 12, 1978

In response to an invitation by Joyce Myer, President of the Hill Top Garden Club, five of our members attended the Hill Top Garden Club's Standard Flower Show.

Following the judging by three well qualified ladies everyone was invited to come in and enjoy the show.

There were many specimens and samples of flowers, plants and shrubs. Also displayed were beautiful flower arrangements of different styles, shapes and sizes including lovely miniatures.

Mrs Charles Birch of the Kijomizy Bonsai Society displayed some of her fascinating collection of Bonsais.

A critic of the Show was made by one of the judges, Mrs Mayorie Cassell. Her critic was gentle but accurate, stressing on the importance of following show rules. She pointed out the little flaws she had noticed

in the displayed items such as
"a pansy with a dirty face".

It was a very informative
experience for all of us. We are very
grateful to Joyce Myer and the
Hill Top Garden Club members for
their kind invitation.
