

Mt. Airy Garden Club--January 13, 1994

The first meeting of the new year was held at the home of Peggy Martin. Seventeen members and two guests, Carol McLain and Lois , attended. To begin we enjoyed a delicious dinner, then Dottie Garrison, our president, presided at the meeting.

Marie White reported a balance on hand of \$1,628.64. Elaine Arnold gave an environmental talk on the topic, Toxic and Non-toxic. Ann Williams' horticulture report was on the Liatris or gay feather plant.

Dottie gathered information from the assembled members for the yearly activity report. The next meeting will include the auction and be held at the home of Mary Ellen Haegy.

Esther Neckere replaced Peg Stovall in the design program and was joined by Marilyn Berkut and Elaine Arnold, all three of whom made very interesting arrangements.

Attending:	Betty Abercrombie	Peggy Martin
	Marilyn Berkut	Peg Stovall
