

Nov 12, 1981

The November meeting of the Mt Airy Clay Breakers Meeting was held at the meeting room at the Arboretum on a lovely morning.

The meeting was brought to order by Ann Williams.

Minutes were read and corrected by the Sec.

The Treasurers report was given by Ann Debozier. The sum of \$325.43 in treasury - Peggy Martin presented bill for pecans - pecans priced \$4.00 for pieces and \$4.85 for whole ones.

Club decided to present Peggy's boss with a gift of syaliras for help given on our program books. Total \$5.50.

Dec. Meeting at Exlines in Clinton

Betty Aherncombe gave a wonderful
program on Purple Martins - Interesting
bird for all who are pestered by mosquitoes

Peggy Martin gave an introduction
to conifers before we left for our
tour of the Gotelli Conifers - The
dwarfs are a mutation an arrangement
of the genes that causes them to
grow slowly.

We had some delightful cookies & tea or
coffee during our meeting provided for
by Ann & Peg.

After our blustery walk around the
Conifer Collection we went to eat lunch
at ~~Snacks~~ - all seemed to enjoy -
