

HISTORY 1992-94

Our President, Dottie Garrison, led us through a rewarding two years with the help of her supporting officers. Our theme for 92-93 was "Respect Nature" and for 93-94 was "Environmental Ethics."

Horticulture Chairman Ann Williams presented an informative Horticulture Study of Small Flowering Shrubs for 92-93 and an interesting Study of Native American Plants for 93-94. Ann provided a specimen each month for us to see and touch and the studies were most enjoyable.

Environmental Chairman Elaine Arnold provided an Environmental Study each month and supplied us with informative material.

The programs each month were informative and varied. Several programs were presented by our own members.

Our annual picnic was held in August 1992 with Peggy Martin. It was a delicious affair on her lovely new patio. We went to Marilyn Berkut's in July 1993 for another delicious picnic held in back yard with her pretty flowers and vegetable garden.

We held a successful Craft Bazaar in December 1992 at the CAB in Upper Marlboro. Our club provided a luncheon for several affairs including a bus tour group. We have continued our project at Holloway Park.

We received a Citation for Outstanding Garden Club Achievement, Award for Yearbook Certificate of Merit and a World Gardening Certificate for our contribution. We also contributed to the Chesapeake Bay Foundation and the Rae Kimmel Scholarship.

We had a productive two years and we are looking forward to another rewarding year.
