

THE MOUNT AIRY GARDEN CLUB

JUN 88

The 9 Jun 88 meeting was held at the Colony South restaurant, with 15 ladies present

A delicious meal was served which had been ordered in advance, either Chicken or Prime Rib.

Officers for the coming year were installed by Peggy Martin - using a theme previously used by Beth Young.

Each lady present was given a shovel and a potted impatient.

The club gave Peggy a garden book as a parting gift for past President.

Plans were discussed for 13 Aug picnic at Marie White's.

Betty Abercrombie suggested we have a memorial at the Holloway Park dedicated to Roger Nielan who was suddenly killed Dec 87.

Photos were taken of incoming slate of officers.

Meeting adj. around 0930.

Respectively submitted - Marian L. Moreland
