June 10, 2004

The annual dinner meeting was held at Mama Stella's Restaurant. The guest for the evening were Lori and Jackie.

Lorraine began the meeting by reading a lovely poem from Chicken Soup for the Gardener's Soul. Her son sent cucumber plants for the members and wants to become a member of the garden club.

e! Armenta
Lorraine updated us about the children's book garden display, story hour and bean planting she conducted for the 3 to 5 year olds at the upper Marlboro library.

The treasurer reported that \$355.25 was received from the plant sale, with a profit of \$181 and \$174.15 in expenses. Dorothy thanked everyone for their contribution in making the plant sale a success.

Everyone was asked to bring a dish for the summer picnic. A hostess is needed

Dottie Sisin died a few weeks ago, a former president of the club. A motion was made by Julie and voted on to contribute \$25 in her honor to the Youth Garden Club.

Mary Jane was presented with a continuity book to assist her with her presidency.

Sonia, our newest member received a gift for working on Hollaway Estates. A gift was also presented to our out-going president Lorraine.

May, Elaine and Lorraine were presented with dark pink flowers in thanks and appreciation for their service as last years officers.

The new officers were given their charge by Marion, installed and presented with light pink carnations.
