

Mt. Airy Garden Club--November 10, 1994

The meeting for November was held at the Clinton Presbyterian Church. Sixteen members and one guest, Mae Kemp, attended. Betty Abercrombie introduced Vicki Trego, who presented a very informative and interesting program showing various decorating ideas for the holidays. Delicious refreshments were served by Marilyn Berkut.

Marie White reported a balance of \$1,506.69. Peggy has pecans for sale for \$5.00 or \$5.25. A workshop will be held on December 2 to make baskets for District I's boutique on December 3.

Marilyn Berkut read a book about native Americans--Brother Eagle-Sister Sky, for the environmental part of our meeting.

Dottie Sisson welcomed Mae Kemp as a member of the Club. The December meeting will be held at Marian Morelands and will include a program.
