

CHRISTMAS PARTY - 1985

Our annual Christmas party was held at the home of JoAnn and Wayne Davis on December 14, 1985. Their lovely home was beautifully decorated and the Christmas spirit was in the air!

Each member brought a main course and a side dish. After enjoying all the delicious food, JoAnn presided over several games and we then had our wine exchange game. We had great fun and each one left with a new and different wine.

Ten members and their husbands enjoyed the party and a tour of the Davis' lovely home. A special thanks to JoAnn and Wayne for making this a fun-filled holiday occasion.
