On November 4, 2006, the Mount Airy Clay Breakers Garden Club members made 75 small flower arrangements which we delivered to the nursing home at the Veterans Medical Center in Washington, D.C. This gesture was meant to honor military veterans in recognition of Veteran's Day. The individual input of the members produced a wide variety of designs. The Club members then distributed the arrangements to the resident veterans who expressed heartfelt appreciation. Pictured from left to right are: Julie Harrison, Sonia Johnson, Mary Jane Bishop, Gilda Allen, Jackie George, Marian Moreland and Ann Williams. Mary Beth Cecil and Lorraine Leonard (not in picture) also took part in the activity.
