The November meeting of the Mount Airy Claybreakers Garden Club was held on Thursday, November 9th at the Concordia Lutheran Church. The Speaker for the evening was JoAnn Chapman, a member of the Charles County Garden Club and the winner of many prizes for her floral designs. JoAnn demonstrated many different ways to be creative with flower arrangements. Following the program, refreshments were served by hostesses Julie Harrison and Phyllis Tucker. President Phyllis Tucker conducted a business meeting. Letters of appreciation were received for the Club's donations to the NCAFGC Scholarship Fund, the Chesapeake Bay Fund, and the World Gardening Fund. Horticulture Chairperson, Esther Neckere continued her monthly presentations about Water Gardens. It was announced that member Marie White is now an accredited Flower Show Judge. Peggy Martin is an Accredited Master Judge with the status for life.

Vice President Julie Harrison announced that the Christmas Party will be at her house on December 14. Members will participate in a gift exchange and were asked to send Julie a copy of their favorite Christmas recipe and favorite Christmas memory by the end of November. Guests are welcome.
