

Mt. Airy Garden Club--January 14, 1993

The first meeting of the new year--a wonderful dinner-meeting--was held at the home of Peggy Martin with 17 members attending. Marie White reported a balance of \$1,221.03.

Historian Betty Abercrombie had the updated albums with her for all to enjoy. Ann Williams gave the horticulture talk for this month on broom. Federation Delegate Marie White spoke of various upcoming activities.

Peggy Martin suggested that the club provide the box lunches for the Landscape Design Critics' trip for a fee.

Dottie Garrison went over the categories for the achievement awards and also, over the programs for the past year, so that the most enjoyed program could be chosen.

Our annual auction will be held at next month's meeting at the home of Dottie Sisson.

The program was our annual creative design arrangements made by Marie White, Ann Williams and Margaret Hicks.
